### Our Client Portfolio

---

Below are our selected example projects (portfolio) for your consideration and for reference purposes. Included on the page is the name of the client, project name, a brief description of the project, contact details and a home page screen shot of the website.

#### Lemepe Lodge and Conference Centre

##### **Brief Description**

It is an interactive website which provides information about the lodge, facilities such as swimming pool, conference center, restaurant, bar and accommodation. A client can check for room availability and book online. The client can also pay for accommodation online at their convenience without having to call or go to the lodge to reserve a room.

Within this package, there is a hotel management system that Meticulous Icons developed and deployed for the lodge to help manage the lodge's 25 rooms, stock inventory, bar, the restaurant, conference room and generating all reports for all the departments
